

**Amendment to the Specification**

Please replace the previously submitted paragraph with the following replacement paragraph at the beginning of the specification immediately after the title:

This application is a 35 USC 371 National Phase Filing of International Application No. PCT/US99/02714 entitled: A System and Method and Article of Manufacture for a Simulation Engine with a Help Website and Processing Engine, filed on February 8, 1999 which claims priority to Application No. 09/218,749, which issued as U.S. Patent 6,018,730 on January 25, 2000, both applications naming Mark S. Nichols et al., the entire disclosures of which are hereby incorporated by reference.
